TUALATIN, OREGON, UNITED STATES, August 31, 2022 /EINPresswire.com/ -- [Infinity Rehab](#), a therapy and rehab services company, organized several team gatherings after their annual [Symposium conference](#), which took place in May 2022.

Infinity Rehab teams throughout the company have been organizing fun, team-building, celebratory events throughout summer. Fully funded by Infinity Rehab, company leaders encouraged local regions to organize events and spend quality time together. The program recently wrapped up with impressive turnout numbers--56 events took place across 13 states with 532 employees participating. The number reflects nearly 80% of all part- and full-time employees.

The events covered a wide range of themes and activities: kayak excursions, a helicopter ride through a glacier valley, a paint and wine night, spa day, riverboat cruise, and axe throwing, to name just a few of the fun outings.

"It was a resounding success," stated JoLynn Munro, President of Infinity Rehab. "Thank you to our teams that participated; we are thrilled it was successful, and that it helped rejuvenate each of them and connect as a team and company."

Infinity Rehab's annual Symposium conference provides therapists with the opportunity to network and build their clinical skills, as well as earn continuing education credits. Team members and clinicians at Infinity Rehab, as well as outside clinicians, attend from different areas throughout the United States. During the one-day event, clinicians network and learn by attending courses tailored specifically to them and their daily practice.
