

Millennium Consulting Announce Partnership with IFS

Millennium Consulting is delighted to announce it has signed a Partnership Agreement with global cloud enterprise software company IFS

UNITED KINGDOM, August 31, 2022 /EINPresswire.com/ -- Millennium Consulting is delighted to announce it has signed a Partnership Agreement with global cloud enterprise software company IFS.

IFS develops and delivers cloud enterprise software for companies around the world who manufacture and distribute goods, build and maintain assets, and manage service-focused operations.

IFS Partnership Announcement logos

“Our new IFS partnership builds upon the software and services arrangements that have been developed by Millennium with other complementary software vendors over the past 15 years.”

— Philip Keet, CEO, Millennium Consulting

“

Our new IFS partnership builds upon the software and services arrangements that have been developed by Millennium with other complementary software vendors over the past 15 years.”

Philip Keet, CEO, Millennium Consulting

IFS is a fast-growing leading software vendor that focuses on key market sectors. Growth in H1 2022 came from winning net new customers as well as from the IFS install base who continue to upgrade to IFS Cloud, resulting in cloud revenue growth of 56 % in H1 2022 compared with H1 2021. The company attributes its continued growth and success to its deep industry expertise, innovative and flexible IFS Cloud solution, and seamless integration across all its capabilities.

“We are very pleased to welcome Millennium Consulting as

a partner. Millennium Consulting is a solid, experienced organisation with a strong client base and has delivered successful projects for many years. This partnership will help both companies

with their significant growth plans and we look forward to a long and successful partnership.”
— Alan Laing, Managing Director, IFS UK&I
