Our Photo Editing price starts from 0.29 USD and usually we try to maintain the range of 0.29 USD- 1.99 USD according to the complexity of the images.

Services suit Post Production Photos:

Background Removal:

Using Adobe Photoshop there is applied Clipping Path & Image masking service to remove background from the objects. Background Removal Service enhances the clarity & visibility of products

### Clipping Path:

Using Pen Tool, designers do handmade Clipping Path around the object. For E-commerce products, Models, 360-degree views & other necessary platforms, the Clipping Path service is a must.

### Image Masking:

To remove the background from the fur & hair-like areas, we use an advanced masking technique. Usually, We do apply this service for Models, Fashion, Furry clothes, or more like this to remove the background.

### Shadow Creation:

Natural Shadow, Existing Shadow, Mirror Shadow & Floating Shadow these all create handmade after examining the placement of the product which enhances the beauty & professionalism of a certain object

### Photo Retouching:

Dust Spot Remove, Color Correction, Color Variants, Beauty Retouch & Photo manipulation, these all services applied by the most advanced designer team according to the need of clients using Photoshop
