Funding for Women in Need of an abortion

ALBUQUERQUE, NEW MEXICO, USA, August 31, 2022 /EINPresswire.com/ -- We have rolled out a new website dedicated to getting women the funds they need to [get an abortion](#) whether they need the pill or the procedure. We also offer funding for women that need to travel to another state where abortion is still legal.

It is a crowd funding type of site that will cater to women in need. This new website will pay 80% of all [donations](#) minus any transaction fees directly to the woman in need.

If everyone donates a little it can mean allot.

The URL for this new website is <https://helpmeabort.com>.

Everyone can do something.

“

We make a living by what we get, but we make a life by what we give.”

Winston Churchill

We are asking YOU to help promote this [new site](#) as well as telling women in need where they can find help.

If everyone donates a little, it can mean allot.
