

KTA → 4PE: A First-of-Its-Kind Portfolio Transformation Solution

Simpel and Associates launches a solution designed to accelerate Private Equity value-creation

EAST BRUNSWICK, NJ, UNITED STATES, September 2, 2022 /EINPresswire.com/ -- Simpel and Associates (S&A) announces the debut of KTA → 4PE, a digital transformation solution designed exclusively for Private Equity funds and their portfolio companies.

"KTA → 4PE is the second offering in the suite of Kinetic Transformation solutions. It is a first-of-its-kind, integrated solution designed to efficiently deliver Private Equity value-creation programs that scale," Nathan Gampel, CEO of both Simpel and Associates and Transformation Insights, said.

KTA → 4PE combines Kinetic Transformation's psychology-based approach, best practice process automation tools, and custom data architecture into a single solution for Private Equity. The solution is designed to set up quickly and deliver a highly predictable value-creation program with opportunities for scale. This includes custom data and analytics that support better and more timely decision-making.

"We are excited to bring KTA → 4PE to market and look forward to helping our clients deliver even more value from their investments," says Mr. Gampel.
