

Eliot Kleinberg, a reporter for the Palm Beach Post (now retired), and an author of several Florida history books, describes the novel as “a heart-breaking, and heart-warming, tale of youth, war, loss, and redemption, and the irrefutable value of family.” Grossman echoes the sentiment through his protagonist when Will tells Glory that “This is what I want. This, right here, you and me.”

Alan Bryce Grossman, Esq., has written several noteworthy articles that were published in legal journals. In addition to his life as a husband, father, grandfather, attorney, and writer, Grossman enjoys cooking, drawing, reading with a hot cup of coffee, and, most recently, paper-cutting as an art form. He also is an award-winning photographer. Grossman is now finalizing the written part of *An Artistic Journey Through Torah*, soon to be published, a book for which his artist wife, Debbie Grossman, created fifty-four original paintings of her artistic impressions, representing each week’s Torah portion from the Five Books of Moses. In addition, Grossman has several other novels in the works.
