“

We are working with our college partners to offer over 1 million dollars in financial support to attend college. Some of our partners will even help with funding for DACA students, it's exciting.”

*Dr. Theresa Price, Founder
and CEO of NCRF*

Latino College Expo™ (LCE) provides students with information about the college admissions process and also resources to help pay for college. There are workshops about DACA, Dream Act, financial aid, scholarships, internships, career opportunities, and educational resources. In addition, some of the colleges will waive their application fees, offer scholarships, and even possibly ACCEPT students on the SPOT!

“We are thrilled to offer amazing programs for students to get educated, powered, and inspired about higher

education. We are working with our college partners to offer over 1 million dollars in financial support to attend college. Some of our partners will even help with funding for DACA students, it's exciting,” says Founder Dr. Price.

Comerica Bank is the title sponsor of the event. "At Comerica, we strive to raise expectations of

what a bank can be by making impactful and innovative investments in the communities where we live and serve," said Ryan Demarco Anderson, VP, National Contributions Manager. The expo is also sponsored by SoCal Gas, US Army, Toyota, Honda, Union Bank, US Bank, and WSS. Students learn about community colleges, universities, trade schools, CTE Programs as well as financial literacy and how to save for college. There is something for everyone.
