

Meet the MOST INSPIRING WOMEN in Privacy, Security, & Technology at the ISSA-LA Women in Security Forum

Companies are facing a huge talent shortage in InfoSec and IT. ISSA-LA helps to recruit and retain qualified women professionals to address this vast shortage.

LOS ANGELES, CALIFORNIA, USA, September 1, 2022 /EINPresswire.com/ -- Join us for a full day of the MOST INSPIRING WOMEN LEADERS from a wide spectrum of the regulatory, law enforcement, legal, compliance, security, and cyber sectors. Attend the ISSA-LA's 12th Annual InfoSec Summit

at the Annenberg Beach House in Santa Monica, California on September 20 - 22, 2022. Our mission for the Summit's Women in Security Forum is to provide mentoring and networking opportunities for women in InfoSec and to provide avenues through which women can gain information, skills, and experience.

Young women need to be inspired to choose careers in cybersecurity. Female role models are instrumental in helping reduce the deficit of women in IT security. REGISTER now to receive team discounts."

Richard Greenberg, ISSA-LA President; CEO at Security Advisors

MOST INSPIRING WOMEN

Meet the MOST INSPIRING WOMEN at Summit XII's Women in Security Forum

Meet the MOST INSPIRING WOMEN in Privacy, Security, & Technology at the Women in Security Forum, including one of the Summit XII's Keynote Speakers, Adriana Sanford, J.D., Dual LL.M. Sanford is the Founder of DataPRIVACYHelp.com. Recently featured by Top Cyber News MAGAZINE, she provides C-Level training throughout the Americas on GDPR fragmentation and the nuances of data privacy law (country-by-country). Sanford is an Award-Winning Global Threats and Privacy Expert; Chilean American International TV Commentator; CNN Español Analyst; and former Fortune 10 Regional Counsel.

- Carol Alexis Chen is a Partner at Winston & Strawn LLP. She is an Award-Winning former Career

Federal Prosecutor & former Chief of International Narcotics, Money Laundering, & Racketeering Section at the US Attorney's Office in Los Angeles. Chen is also the former Liaison to DHS Security Joint Task Force-West on Border & Maritime Security.

- Trina Ford is an SVP & CISO at AEG Worldwide. She has over 20 years experience designing and implementing best-in-class, enterprise-wide security, risk, and compliance programs at top-tier, global fortune 500 companies, both public and private. She has a very diverse background spanning multiple industries from retail, hospitality, financial services to entertainment.

- Karen F. Worstell is a Senior Cybersecurity Strategist and Howler for VMware. She is well-known for her work as a CISO for iconic brands, such as Russell Investments, Microsoft, and AT&T Wireless.

- Marci McCarthy is the CEO & President at T.E.N., an information security executive networking and relationship-marketing firm. A 2012 recipient of a 4th Congressional District of Georgia Citation, McCarthy was lauded for fostering greater visibility and professionalism for the IT security industry.

- Jennifer L. Urban is a Partner at Foley and Lardner LLP and serves as Co-Chair for Cybersecurity and Privacy within Foley & Lardner LLP's Innovative Technology sector. She is also one of the founding members of the Midwest Cyber Security Alliance (MCSA).

- Kathleen Mullin is the CISO at Cancer Treatment Centers of America, Inc. She is an executive leader and influential information security practitioner with over 15 years of success in information security, audit, risk, governance, and accounting roles.

- Kimberly A. Klinsport is a Partner at Foley and Lardner LLP and the Litigation Chair for the firm's Los Angeles and San Diego offices. She also serves as Co-Chair of the Cybersecurity and Privacy within the firm's Innovative Technology sector.
