

Equator Announces Release of Flagship Product — Combo Washer Dryer — in Canada

Best in Show award-winning washer/dryer all-in-one can now be purchased at popular Canadian retailers

HOUSTON, TEXAS, UNITED STATES OF AMERICA, September 1, 2022

[/Einpresswire.com/](https://www.einpresswire.com/) -- After rapidly emerging as the top selling Equator Advanced Appliances product, the company is thrilled to announce that the [Super Combo Washer Dryer](#) Version 3 (EZ 5500 CV) will now be available in most Canada provinces. Serving as an innovative, all-in-one laundry solution, this appliance has even earned the Best of Show Cedia award from TWICE consumer electronic magazine.

“Our team is thrilled to now be able to offer our flagship appliance to customers throughout Canada,” said Nick Mathews of Equator Advanced Appliances. “This model is a truly unique laundry solution that can wash, dry, sanitize, and self-clean in the same unit.”

Those who are new to the capabilities of the Super [Combo Washer Dryer](#) Version 3 (EZ 5500 CV) are sure to be impressed by its advanced technology. It measures 33.5 x 23.5 x 24.8 (HxWxD in inches), making it easy to fit into any space. The 5500 features a color-coded, intuitive control panel with a fully automated simple two-step operation. With a capacity of 18 lbs, the Super Combo can wash and dry completely automatically in a single unit. It uses smart sensors to measure the correct water levels for wash loads, and the optimum amount of heat during the dry cycle to achieve maximum energy efficiency.

The Super Combo [Washer Dryer](#) is the only combo in the world which offers an optional vented
