

The Top Accounts Receivable Automation Software According to the FeaturedCustomers Fall 2022 Customer Success Report

FeaturedCustomers releases the Fall 2022 Accounts Receivable Automation Software Customer Success Report.

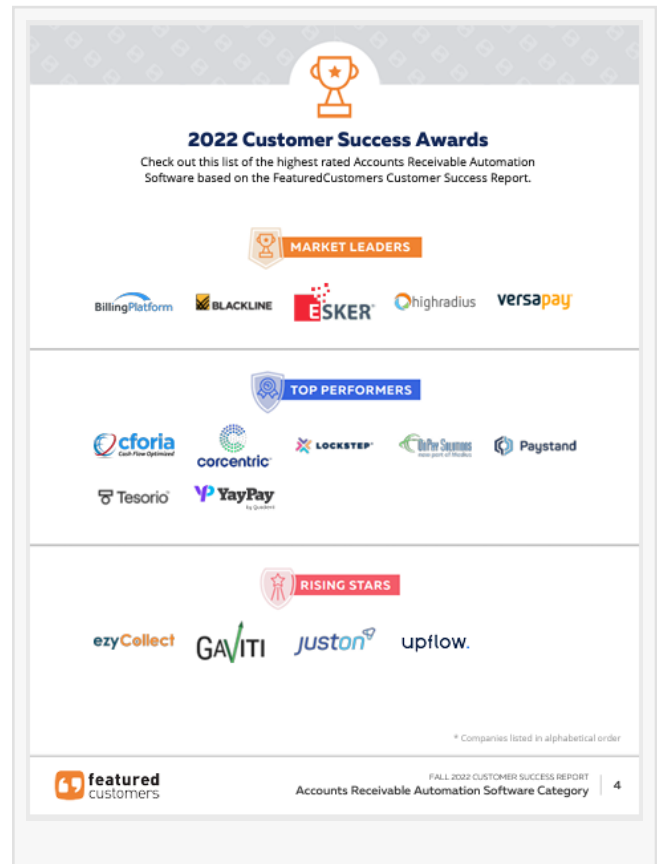

SUNRISE, FL, USA, September 6, 2022
/EINPresswire.com/ -- Today FeaturedCustomers published the [Fall 2022 Accounts Receivable Automation Software Customer Success Report](#) to give prospects better insight on which Accounts Receivable Automation Software would work best for their business according to real customer references.

The highest rated vendors according to the Fall 2022 Accounts Receivable Automation Software Customer Success Report are:

Market Leaders – BillingPlatform, BlackLine, Esker, HighRadius, and Versapay were given the highest “Market Leader” award. Market Leaders are vendors with a substantial customer base & market share. Market Leaders have the highest ratio of customer reference content, content quality score, and social media presence relative to company size.

Top Performers – Cforia Software, Corcentric, Lockstep, OnPay Solutions, Paystand, Tesorio, and YayPay were awarded “Top Performer” honors. Top Performers are vendors with significant market presence and enough customer reference content to validate their vision. Top Performers products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader relative to company size.

Rising Stars – ezyCollect, Gaviti, JustOn, and Upflow were awarded the “Rising Star” honor. Rising Stars are vendors that do not have the market presence of Market Leaders or Top Performers but understand where the market is going and has disruptive technology. Rising Stars have been

around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

About the Accounts Receivable Automation Software Customer Success Report:

The customer success report is based on over 1,200 pieces of verified customer reference content. A vendor's overall customer success score is reached via a weighted average of their Content, Market Presence, and Company Scores. Of the vendors listed in the FeaturedCustomers' Accounts Receivable Automation Software category, 16 vendors met the minimum requirements needed to be considered for the customer success report.
