As the demand in Connecticut rises to sell homes without a realtor, Kwame Darko, owner of KD Buys Houses, decided that it is the best time to expand the company's services to help homeowners struggling to sell their houses.

“Expanding our services to the Hartford and New Haven, CT metro areas will help homeowners from those locations get more options for selling their houses or properties,” Darko explained.

Darko assured prospective sellers that KD Buys Houses always prioritizes their interest, and the company strives to provide its clients with a faster and easier way to sell their properties.

“We believe that selling a house should be quicker and less hassle for homeowners,” said Darko. “We can give a fair all-cash offer on the house in less than 24 hours and close it in 14 days.”
