## Key Trends In The Wipes Market

The toxin free baby wipes is a key trend in the wipes market. The toxin free baby wipes are purest clinical grade filtered water wipes loaded with Aloe vera extracts and vitamin E. These baby water wipes are specially formulated with pH to match the delicate skin of new born babies. Though these wipes are often used for babies they can even be used by adults and elderly.

## Overview Of The Wipes Market

The wipes market consists of sales of wipes and related services that are used in personal, household sector and industrial sectors. A wipe is a moistened, disposable cloth that is used for cleaning surfaces. It is often used as an antiseptic fabric primarily for skin cleansing.
