

# Kepler Aerospace Ltd Awarded Most Promising Defense Tech Solutions Provider 2022 by CIOReview

---

*Kepler Aerospace - Future-Proofing the World with Game-Changing Technologies - CIOReview*

MIDLAND, TEXAS, USA, September 5, 2022 /EINPresswire.com/ -- Source: CIOReview

Kepler Aerospace is vetting various successful experiments in electromagnetic (EM) field propulsion, plasma-based propulsion, super-conducting gravity modification devices, fusion reactors, and gravity wave technology development to make way for effective satellite delivery methods and breakthroughs in aerospace transportation.

"We are developing a range of ground breaking technologies that can be extremely beneficial for strengthening national security and saving the planet," says Brent Nelson, CEO of Kepler Aerospace.
