ABOUT HappyTails Canine Wellness

HappyTails Canine Wellness™ is the new authority in canine wellness. Our treats and supplements are made with love in the U.S.A. with the finest domestic and globally sourced ingredients. Our team of canine nutrition experts represent decades of advanced scientific ingredient and product formulation within the pet food industry.

As the scientific research advances the case for functional digestive health ingredients in pet food, it's clear that pre,

pro and postbiotic metabolites are the new frontier in canine microbiome science.

Understanding postbiotics and their role in digestive and microbiome health is driving the

development of supplements that boost these particular beneficial mechanisms. Scientists are now learning that postbiotic metabolites are considered master health-regulating compounds and comprise the new “tool kit” in ensuring overall wellness.
