

Free Webinar on How to Attract, Motivate, and Retain Gen Z Employees

Propositions, Inc. announced they are hosting a complimentary webinar with Dr. Santor Nishizaki on how to attract, motivate, and retain Gen Z employees.

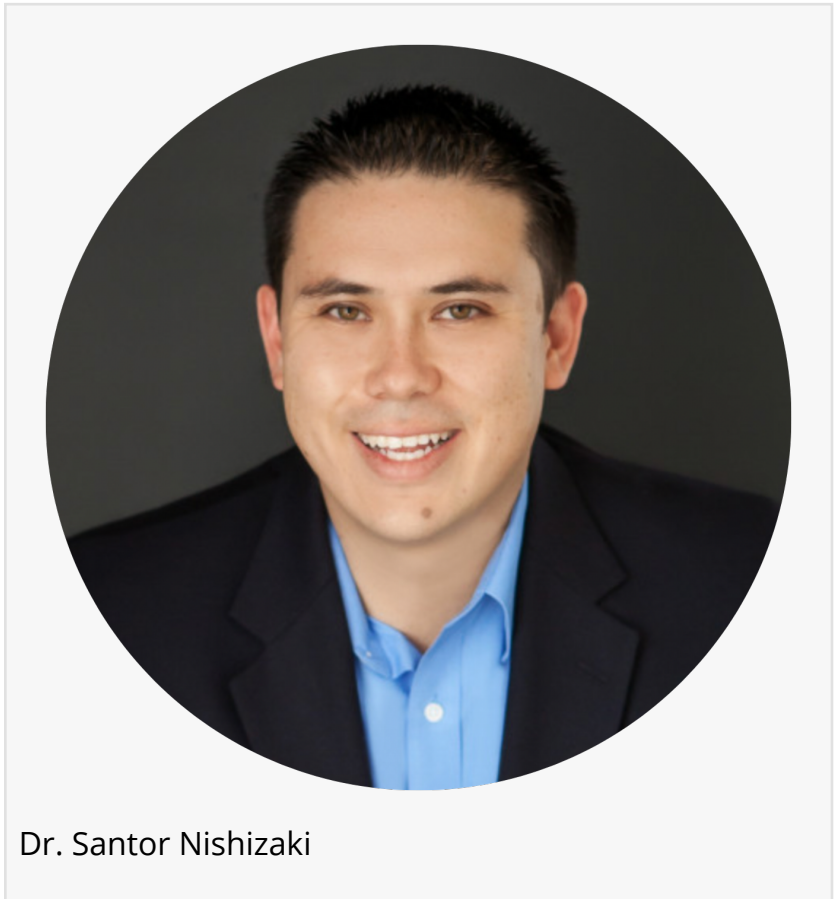

DES MOINES, IOWA, UNITED STATES, September 8, 2022 /EINPresswire.com/ -- Propositions, Inc., a pioneer in the design and delivery of virtual training solutions, has recently announced they are hosting a complimentary webinar titled "Understanding and Working with Generation Z Employees" that will take place on September 21, 2022 from 11:00am - 12:00pm CST.

The webinar will feature subject matter expert Dr. Santor Nishizaki who specializes in keynotes, training, and consulting with organizations about Millennial and Generation Z

employees. His latest book, *Working with Gen Z*, and his soon-to-be-released microlearning course are based on his original research and work.

"Gen Z is a driving force in shaping the future of the workplace. In a time of Quiet Quitting and quick resignations, it's crucial for organizations to find ways to keep the newest generation in the workforce interested and actively engaged," said Dr. Santor Nishizaki. "I'm excited to partner with Propositions for this exclusive webinar to share how to attract, motivate, and retain Gen Z employees in every organization."

This highly informative webinar will examine the unique professional experiences and expectations of employees from the newest generation to enter the workforce, Generation Z. The webinar will also provide key tips and strategies on how to create a culture and work environment that will attract, motivate, and retain exceptional talent from both potential and current Gen Z employees.
