The Gold Ribbon Parade marks the Mystic Force Foundation's 5th Annual Childhood Cancer Police Car Initiative and will again be led by Chief Juriga and the North Miami Police Department's dedicated Gold Childhood Cancer Police Vehicle. North Miami was the first police agency to permanently keep their car wrapped in Gold and joins the Mystic Force Foundation at

events throughout the year to bring joy and happiness to kids battling cancer. The Initiative was started by Silvia Vanni in an effort to bring more awareness to Childhood Cancer and the dire need for support and increased funding for Childhood Cancer Research. Every year this initiative grows larger and is the only initiative of it's kind in the world, proving that South Florida is a true leader in the fight against Childhood Cancer.

The Gold Ribbon Parade is in support of all children battling cancer. This year it is in Honor of 7 year old Jeremiah Valera, a JR North Miami police officer, who joined us as a Survivor in the Parade last year. Although he has been cancer-free for over a year, he is now in another fight for his life, desperately needing a double lung transplant due to all the harsh treatments used to save his live. Jeremiah has been in Nicklaus Children's Hospital

To truly understand the depth of the plea, "Help Us Find A Cure", your life must be touched by someone who has a disease for which there is no cure.”

The Mystic Force Foundation was founded in 2008 by Dr. Steven & Silvia Vanni after their then 4-year-old son, Salvatore, was diagnosed with Stage IV Neuroblastoma Cancer. Salvatore lost his battle with cancer in 2011 but his legacy continues to change the lives of all children battling this devastating disease. This year is the Foundation's 14-year Anniversary of raising awareness and desperately needed funds for Childhood Cancer Research, as well as advocacy in Washington, DC, granting 'Wishes', delivering toys, holding in-patient hospital parties, and bringing Hope, Joy, Happiness and Smiles to the littlest Heroes battling Childhood Cancer. They are also celebrating the 4th Anniversary of The Heroes Hangout, a Childhood Cancer Haven located in North Miami Beach that supports children and their families battling cancer throughout South Florida.
