Industry Definition and Major Segments

An apple contains alpha hydroxyl acids, which contain antioxidants that help protect the skin and make the skin look healthier. Apple extract is a mixture of red-brown light powder polyphenols, phlorizin, and chlorogenic acid that is stable and fully water soluble. It gives pies, cookies, and other baked goods a wonderful apple taste. The main ingredient that helps to minimize dark spots and enhance skin tone is the vitamin C in apple extract.

By type, the market is segmented into:

Red Apple

Green Apple

Based on form, the industry is divided into:

Seed

Powder

Liquid

On the basis of application, the market is segmented into:

Functional Foods

Functional Beverages

Dietary Supplements

Nutraceuticals

Cosmetics and Personal Care

Others

On the basis of distribution channel, the industry is divided into:

Business-to-Business (B2B)

Business-to-Consumer (B2C)
Supermarkets and Hypermarkets
Convenience Stores
Online Retail
Others

On the basis of regional markets, the industry is divided into:

North America
Europe
Asia Pacific
Latin America
Middle East and Africa

Market Trends

In various applications, such as functional beverages such as healthcare, sports and entertainment industries, functional food, dietary supplements, and others, the apple extract is commonly used in energy drinks, juices, and improved water. It may be a significant factor in the market's growth. The rising trend of maintaining a healthy lifestyle by adopting natural eating habits is another factor in developing the demand for apple extract. It plays an essential role in treating diabetes, cholesterol, eye disease, cancer, blood pressure, and other related health issues. The apple extract market growth is projected to be positively affected by such properties. Besides, the growing disposable incomes and the busy lifestyle of people is projected to boost the development of the demand for apple extracts.

Key Market Players

The major players in the market are Kuber Impex Ltd., Ambe NS Agro Products Pvt. Ltd., and Herbafood Ingredients GmbH, among others. The report covers the market shares, capacities, plant turnarounds, expansions, investments and mergers and acquisitions, among other latest developments of these market players.
