JP provides specialized expert services for [cleaning, repairing, and restoring tile and grout](#), as well as natural stone.

One customer shares their experience with this professional flooring company. "Just had my carpets cleaned by Jackie and her crew again. I've used their service for several years and am always happy with their work and the fair pricing. I've also had them refinish hardwood floors. Peter is very detail oriented and does a great job. I also appreciate that they arrive on time and are efficient."

Speaking directly with Peter, the owner, and operator of JP Carpet Cleaning Expert Floor Care, he reveals a peek behind the curtain. "We take pride in the work we perform. From the products we use to the process we follow, every step is calculated and applied for a purpose. Our pre-spray for example is applied prior to cleaning. The product is allowed to rest for several minutes before we even begin scrubbing. This may seem strange, but we are giving the product time to perform magic."

Moreover, the company believes in the concept of "Green Earth Clean Earth". It provides expert floor cleaning services at affordable rates and uses eco-friendly solutions. [JP Carpet Cleaning is a trusted brand](#) in the floor cleaning and restoration industry, with over 20 years of experience.
