ChinaAMC wins three awards at World Business Outlook Annual Awards 2022.

On the ESG front, ChinaAMC is part of a network of investors committed to integrating environmental, social, and governance (ESG) considerations into their investment process and ownership practices. The firm has deployed a dedicated team to generate ESG reports based on the in-house ESG framework for specific industries.

Congratulating ChinaAMC, Kevin Thomas, Assistant Editor of World Business Outlook said, "The

entire evaluation team was completely convinced that ChinaAMC truly deserves the three titles for their consistent performance and dedication in the asset management sector. Their business and ESG initiatives are worthy of global recognition and we are delighted to honour the three titles to ChinaAMC. Our conclusions were based on its recent business with the Canadian asset manager IGM Financial and its integration of machine learning solutions from Boosted.ai.”

Acknowledging the awards from World Business Outlook, Li Yimei, CEO of China Asset Management Company said, “ChinaAMC has always been the pioneers in the Chinese asset management industry. Our strong team of analysts and investment professionals is managing assets across Europe, North America and Asia Pacific. ChinaAMC has become the preferred and most reliable name for our systematic macro research, securities analysis, rigorous risk management and dedicated ESG integration process.”
