On the basis of type, the market covers:

- Immobiliser
- Central Lock System
- Alarm System
- RKE
- Others

Based on application, the market is segmented into:

- OEM
- Aftermarket

The major regional markets include:

- North America
- Europe
- Asia-Pacific
- Latin America
- Middle East and Africa

Market Trends

The worldwide passenger car security systems market is being driven by improvements in IoT technology. The sector is being aided even further by the growing acceptance of linked cars. Another element driving the industry's rise is the availability of immobilisers as standard equipment in automobiles.

Because of the introduction of government measures to prevent vehicle theft, the immobiliser segment is experiencing tremendous expansion in terms of varieties. As a result of the increased

risk of car theft in emerging countries like as India and China, Asia Pacific is predicted to hold the greatest market share.

Key Market Players

The major players in the market are Continental AG, Hella GmbH & Co. KGaA, Tokai Rika Co. Ltd, Valeo SA (EPA: FR), Robert Bosch GmbH, ZF Friedrichshafen AG, Delphi Technologies Ltd. (NYSE: DLPH), Mitsubishi Electric Corporation, Denso Corporation, among others. The report covers the market shares, capacities, plant turnarounds, expansions, investments and mergers and acquisitions, among other latest developments of these market players.
