SOFIA, BULGARIA, September 9, 2022
/EINPresswire.com/ -- Presented by
Sofema Online (SOL)
www.sofemaonline.com

Introduction: Sofema Online Provides Multiple Online training courses in support of the role of Safety Manager across a number of organisations:

- » Safety Manager EASA Operator I.A.W. Regulation 965/2012
- » Safety Manager EASA Part 145 Aircraft Maintenance Organisation Regulation I.A.W 1321/2014
- » Safety Manager EASA Part CAMO I.A.W Regulation 1321/2014

CAMO Safety Manager Special Package – Initial

This package is offered to meet the specific needs of the CAMO Safety Manager and covers all relevant aspects including the mandatory SMS elements (assumes the SM has previously completed Initial Human Factors training) to ensure the delegates cover in sufficient depth, every aspect to be able to demonstrate compliance with EASA GM2 145.A.30 (e) HF & SMS Training Requirements - [More details](#)

The Sofema Online Learning Path Diploma helps the delegate demonstrate a high level of knowledge across multiple subject areas within a core business unit.

The Sofema Online Learning Diploma provides the delegate with the ability to demonstrate to their employer or future employer that they have achieved a basic understanding of the subject matter across a range of related topics.

The graphic features a hand placing a wooden block on a row of others, with a blue background and the Sofema Online logo. Text on the right reads: "We are here to support the role of Safety Managers across a number of organisations". Below the image, the text reads: "EASA Safety Manager NP Courses for Operations, Part 145 & Part CAMO Safety Managers".
