

# Truth & Liberty Coalition Executive Director Calls Out Biden's Speech

WOODLAND PARK, COLORADO, UNITED STATES, September 9, 2022 /EINPresswire.com/ -- President Joe Biden's recent speech, given earlier this month at the nation's birthplace in Philadelphia, "brazenly and explicitly cast Donald Trump and his supporters as illegitimate, intolerable people who have no role in our civic process," said Richard Harris, executive director of the Truth & Liberty Coalition. The nationally broadcast, [prime time speech](#) levelled accusations of violence toward so-called "MAGA Republicans" and featured Independence Hall bathed in red light while Biden stood flanked by U.S. Marines.

“

Biden has been rightly called out by many for the crassness and divisiveness of his speech.”

*Richard Harris, executive director of the Truth & Liberty Coalition*

“Biden has been rightly called out by many for the crassness and divisiveness of his speech,” continued Harris. “In truth, however, his speech was far more dangerous than mere crassness. Biden actually followed the classic template used by dictators throughout the centuries when assuming totalitarian power.”

Harris's commentary on Biden's address, "The Most Dangerous and Deceitful Speech by An American President," offers historical analysis from a conservative

perspective. It may be found at the Truth & Liberty Coalition website at [www.TruthandLiberty.net](http://www.TruthandLiberty.net).

Harris wrote that Biden's speech is troubling considering a recent FBI raid on Trump's home at Mar-A-Lago and the 87,000 new hires approved for the IRS—two federal agencies under increased scrutiny from Republican lawmakers due to accusations of bias against conservatives. “At best, it was wildly irresponsible and reckless,” said Harris. “At worst, it was an intentional and designed attempt to lay the groundwork in public opinion for an oppressive assault against conservatives.”

Harris’s commentary is one of a series of commentaries on cultural and social issues, published by the Truth & Liberty Coalition at [TruthandLiberty.net/blogs-news-commentary](https://truthandliberty.net/blogs-news-commentary). Other commentators include Andrew Wommack (president of Truth & Liberty Coalition), David Barton of WallBuilders, and historian William J. “Bill” Federer.
