The 2022 World Dairy Expo Championship Dairy Product Contest received a record 1,560 entries for cheese, butter, fluid milk, yogurt, cottage cheese, ice cream, sour cream, sherbet, cultured milk, sour cream dips, whipping cream, whey, and creative/innovative products from dairy processors throughout North America.

Wisconsin Dairy Products executive director Brad Legreid, which sponsors and conducts the annual World Dairy Expo Championship Dairy Product Contest, believes this year's contest had record entries due to the importance that dairy processors place on this event.

Judging took place on August 23-25 at MATC Culinary Arts School in Madison, WI. On October 4, all 1st Place winning products will be auctioned by the WDP at the World Dairy Expo in Madison.

A portion of the proceeds is used to fund scholarships awarded annually to deserving students pursuing careers in the dairy industry.
