

JobNimbus Awarded Utah Fast 50 Two Years Running

LEHI, UTAH, UNITED STATES, September 12, 2022

/EINPresswire.com/ -- For the second year in a row, [JobNimbus](#) has been awarded Utah Fast 50 accolade by Utah Business Magazine, surpassing last year's achievement of spot 24 and climbing to number 16.

"We are excited to receive this recognition back-to-back." Said Mark Olson, VP of Business Development at JobNimbus. "In reality, what it means is we are helping contractors grow their businesses and become heroes to their clients and family members. That was why JobNimbus was created in the first place, and this kind of evolution allows us to do more for them than ever before."

Despite the economic challenges facing Utah over the past year, JobNimbus has grown over 440% in revenue and over 900% in employee growth since 2018.

Nick Cook, Recruiting Manager, remarked, "Layoffs and downsizing have been a common theme among the Utah Tech scene recently. However, JobNimbus has not only evaded those hard conversations, but we also had the largest onboarding group of new hires to date this month."

If the past couple of years are an indication of what's to come, JobNimbus will continue to be a force for good for their customers and Silicon Slopes as a whole.
