

US Department of Homeland Security, Federal Communications Commission, UCLA, & Georgia Tech SUPPORT ISSA-LA Summit XII

Join current & former leaders from DHS, FCC, FBI, ODNI, DOJ, FDIC, US Navy, US Army, USMC, City of Beverly Hills, LADA, Google, EY, AON, AEG, and more!

LOS ANGELES, CALIFORNIA, USA,
September 13, 2022 /

EINPresswire.com/ -- ISSA-LA summits are the PREMIER Information Systems Security events in SoCal!

US Department of Homeland Security, Federal Communications Commission, University of California-Los Angeles (UCLA), Georgia Institute of Technology (Georgia Tech), Claremont Graduate University (CGU), AON, LA County District Attorney's Office, Teqball USA, and US National Teqball Federation PROUDLY SUPPORT the [ISSA-LA Information Systems Security Summit XII](#) at the Annenberg Community Beach House on September 20-22, 2022.

“

Los Angeles is home to one of the nation's largest number of women-owned businesses. Female mentors are also instrumental to help address the vast shortage of qualified IT and InfoSec professionals.”

Richard Greenberg, ISSA-LA President; CEO at Security Advisors

Born in Orange County, California, Adriana Sanford, J.D., dual LL.M., is a global threats and privacy expert, corporate lawyer, author, professor, Chilean-

World-Class Keynote Speakers & High-Caliber Sessions

PREMIER ISSA Security Event in SoCal

American international TV commentator, and recipient of the Cybersecurity and Privacy Woman Law Professional - 2019 CSWY Award. Recently featured in Top Cyber News MAGAZINE, she is the founder of DataPRIVACYHelp.com. Sanford is on the cutting-edge of international and comparative privacy security developments.

Cleve Adams has been named one of the Top 50 Non-Technical Founders In Tech Industry History. He is a 5-time award winning VC/PE backed software CEO managing companies from pre-revenue to over \$2 Billion. Adams has 20+ years of senior management, operations, sales and marketing experience in Security software, AI, Mobile, Wireless, SaaS/Cloud, Mobile security, digital and social media, and Fintech. He has raised over \$100M from tier one VCs for multiple companies. Cleve led the team that started security titan Websense and grew them from pre-revenue to a \$1 Billion IPO in less than 3 years, subsequently sold to Raytheon for \$2 billion.

Deviant Ollam is a physical penetration specialist with The CORE Group and the Director of Education for Red Team Alliance, and a member of the Board of Directors of the US division of TOOOL, The Open Organisation of Lockpickers. ABOUT [Information Systems Security Association \(ISSA\)](#)

ISSA-LA, the founding Chapter of the Information Systems Security Association in 1982, is the premier catalyst and information source in Southern California for improving the practice of information security. The Chapter provides various training classes for information Security and IT professionals throughout the year and at the Summit. ISSA-LA has a CISO Forum that meets quarterly at various companies throughout Southern California. The chapter meets monthly and regularly collaborates with other IT and InfoSec organizations, having joint meetings with ISACA,

OWASP, the Cloud Security Alliance, HTCIA, and the Association of IT Professionals.
