

# "Ordinary Day: Lust Rape and Murder (Episode One)" depicts biblical figure's atrocious acts

*James Turknett Recounts King David's Heinous Crimes*

DALLAS, TEXAS, UNITED STATES, September 12, 2022 /EINPresswire.com/ -- Biblical figures were not always immaculate and saintly personalities. King David of Israel committed shocking crimes, which author James Turknett recounts in his book, "Ordinary Day: Lust, Rape, Murder (Episode One)." In its pages he chronicles how someone rose up the ranks of the royal family of Israel and came to be the monarch while simultaneously committing underhanded acts with impunity

In the Bible, before Bathsheba was married to King David, she was previously married to the soldier Uriah. When David saw her bathing, he acted upon his lust and later had her husband Uriah dispatched to the battlefield while ordering his comrades to abandon him during battle - effectively murdering him. Then David married the widowed Bathsheba, but their first child died as God's punishments for David's crimes. Later on she would give birth to Solomon, who would become the kingdom's most memorable ruler.

Turknett covers these events and also provides David's backstory. He recounts how he was the 8th in line and the black sheep of the family, given menial jobs until he rose to a position of height and became the monarch of the land. Turknett shows how he built his beautiful city, won wars and established a dynasty, only to act upon his lust and commit an unspeakable crime.

With "Ordinary Day: Lust, Rape, Murder (Episode One)" he provides readers with a sobering tale of what powerful men are capable of and how the course of their lives can change, from going on paths of greatness to performing heinous acts.

About the Author

ORDINARY DAY: Lust Rape and Murder (Episode One)

Dr. James Turknett is from Dallas, Texas and is a decorated United States Army veteran. A Junior Olympic boxing gold medalist and award-winning coach and pastor for 30 years, he is also a precinct chairman and activist. He has written booklets on entrepreneurship.
