

Fish Creek Bottle Depot in Calgary SE Has Redesigned its Website to Improve the User Experience

The newly designed website for Fish Creek Bottle Depot, SE, Calgary, features better navigation, a more modern look, and a user-friendly visitor experience.

CALGARY, AB, CANADA, October 25, 2022 /EINPresswire.com/ -- [Fish Creek Bottle Depot](#) in Calgary is excited to announce the launch of its redesigned website, which showcases the services, location, updates, contact information, and blog posts. The website was designed while keeping the user experience in mind and has several additional features to provide a smooth experience for the visitors. The website was redesigned by Ace SEO Consulting, a company famous for [web design in Calgary](#).

Most people don't trust a company that doesn't have a solid website. A modern, well-designed website that is live and appears in search results immediately increases credibility. Potential clients will have more faith in the business and access all the information they need in one spot. Customers anticipate companies to have a web presence in the digital age.

“

Bring bottles, cans, and beverage containers to Fish Creek Bottle Depot and receive a refund. Save the environment and be rewarded at the same time!”

As per the company, the new website was designed to be more user-friendly, and the main navigation was restructured to make it easier for visitors to find important information about the company and its services. The

company's main focus was to make it easier for its users to learn and locate valuable information about bottle recycling solutions offered by Fish Creek Bottle Depot in Calgary. The homepage features multiple tabs, each for the particular service provided by the company. The

newest feature on the website is a contact button on the homepage that takes the visitors to a form where they can ask questions about the services, location, quote, or any relevant information.

Fish Creek Bottle Depot offers different bottle and can redemption services.

The services include:

- Bottle Recycling
- Bottle Drives
- Bottle Pickup
- Bottle Deposits
- Bottle Return Rates
- Pickup Truck for Bottle Pickup

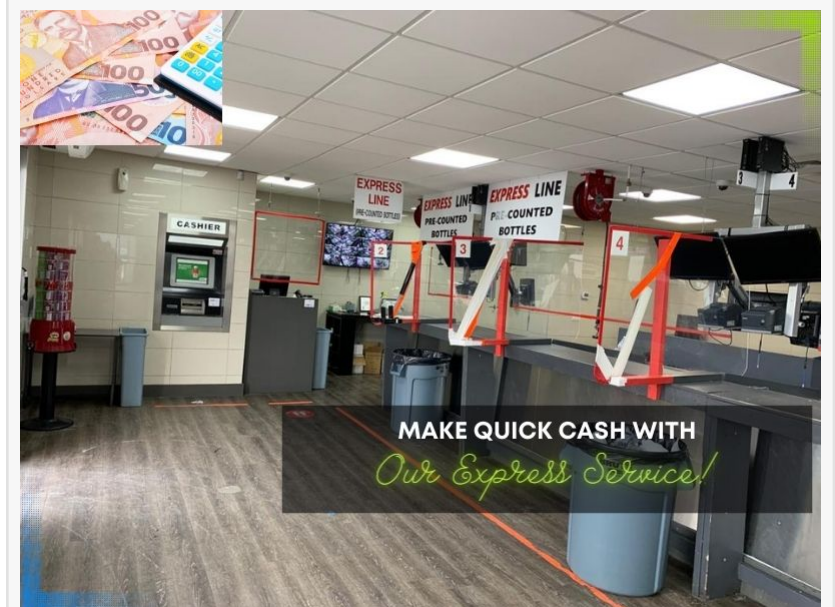

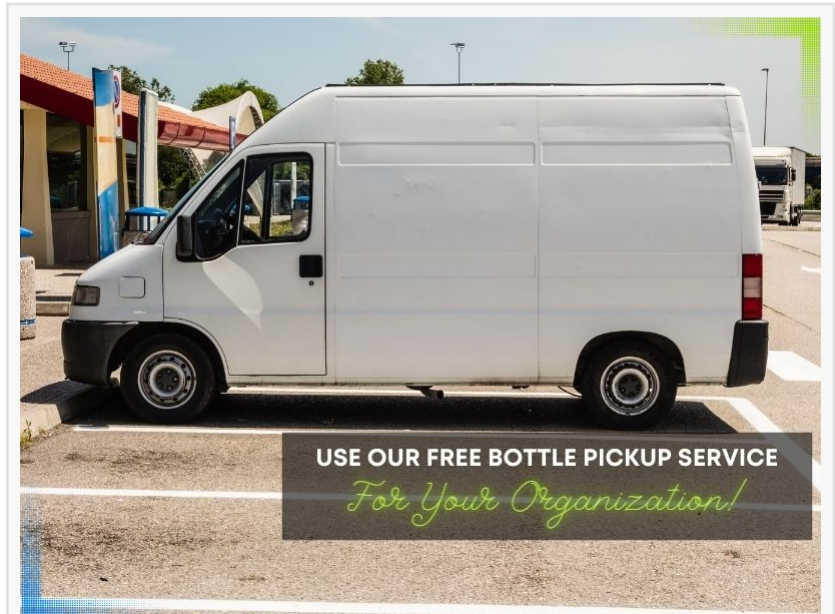

Consumers can visit the company website to learn more about each service. As per Alberta's laws, every recyclable bottle is subject to a deposit amount that can be fully refunded when dropping empty containers at [return-it bottle depots](#). Fish Creek Bottle Depot offers a full refund on recyclable containers; no questions asked!

The website features a separate contact form where environment enthusiasts may submit a form to request a quote, call for information, or locate the bottle depot in person.

Following the launch of this website, the company plans to keep the pages updated with information on new services and promotions as well as current bottle return rates to keep the clients informed.
