

# One Immortl Wallet now trading on Cronos

*One Immortl expands use of their cross-chain wallet platform to include Cronos blockchain*

MUNICH, GERMANY, September 12, 2022 /EINPresswire.com/ -- The Cronos Blockchain took the defi space by storm in March, [and now One Immortl Wallet](#) is making it simple to keep track of your cross-chain assets.

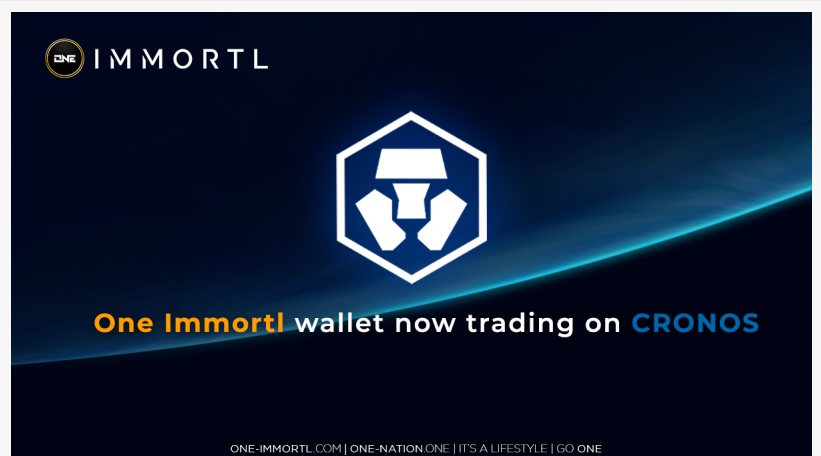

Trading on the One Immortl Wallet is also available on the Binance Smart Chain, Polygon, Fantom, and Harmony.

With the sheer amount of blockchains and decentralized exchanges (DEXs) being released, keeping up with the latest and keeping track of all assets can be overwhelming, especially to someone new to the decentralized finance (DeFi) space.

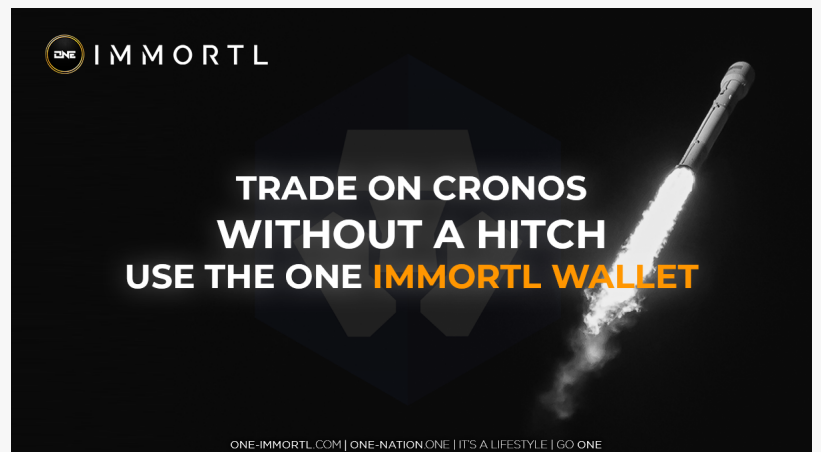

Platforms like the One Immortl Wallet are leading the way when it comes to keeping organized, and up to date on the newest, and hottest blockchains, like Cronos.

[The team at One Immortl](#) announced the latest developments and updates to their wallet. Highlighted features include a growing dex aggregator - offering users the best price from an array of dexs - And plans to continue expanding their blockchain offerings, giving users the ability to trade assets across multiple blockchains seamlessly.

This, paired with a user-friendly interface, is why many in their token community are making the switch to the One Immortl Wallet.

With the expansion of the One-Immortl wallet's dex and blockchain offerings also comes the fiat ramp.

One Immortl token is tax free, and they're trying to pass those same savings off with their fiat on/off ramp. Buy native blockchain tokens directly from the bank, and deposit just as easily, with minimal fees.

What is One-Immortl?

A dual loyalty and fiat/crypto mobile wallet application.

Given the mounting demand for convenience, One Immortl takes advantage of the technological developments in the mobile and online space of payment and blockchain technology with the ONE app, and One Immortl Wallet.
