\*\*\*END\*\*\*

Freaks With Lines® (FWL) is a Los Angeles based dance project created by Susan Vishmid that serves as a platform to showcase both independent and collaborative works between professional dancers and other creatives in various disciplines. Dancers are FREAKS who live, eat and breathe to create LINES and ultimately scrutinize those creations.

Dance is a self-serving art form. Freaks With Lines are the creators and the consumers of their own art.

Vishmid began her early training at Westside Ballet and through scholarships continued training at the Pacific Northwest Ballet School, San Francisco Ballet School and The Rock School. Vishmid performed with the Pennsylvania Ballet, Santa Fe Opera, San Diego Opera, Chicago Festival Ballet, Naples Ballet Theater, California Contemporary Ballet, City of Angels Ballet, California Riverside Ballet, Key West Ballet, Coast City Ballet and San Geronio Ballet.

Vishmid’s vast movement background as a ballerina, certified yoga and Pilates instructor informs much of the Freaks With Lines repertoire. Vishmid is a USC alumna (cum laude) with a BA in Communication and Philosophy. Vishmid’s deep passion for philosophy is the impetus behind the company’s conceptual nature.
