

The Magic of Jewish Sleepaway Camp Comes to Comics

TORONTO, ON, CANADA, September 14, 2022 /EINPresswire.com/ -- [Black Panel Press](#) announces the upcoming launch of the new graphic novel, Camp Pock-a-Wocknee and the Dynamite Summer of '77, coming to [Kickstarter](#) on October 3rd, 2022 from New York-based author and advertising veteran Eric Glickman.

Camp Pock-a-Wocknee & the Dynamite Summer of '77 is a coming-of-age graphic novel celebrating Jewish sleepaway camp and the ways boys find friendship and love during those seminal summers. Combining the nostalgic mood of *The Wonder Years*, the raucousness of *Superbad*, and the adolescent angst of *Pen15*, this 300-page graphic novel juxtaposes classic, black and white, comic strip art with an R-rated story to capture the tension created when the innocence of childhood crashes into the messiness of adolescence.

Camp Pock-a-Wocknee will be launching on Kickstarter on October 3rd, 2022 and available in stores on December 7th, 2022 through [Diamond Comic Distributors](#), and online at Amazon.com. Readers can RSVP for updates by visiting the project on Kickstarter. For review copies and ordering, please visit [blackpanelpress.com](#).

“

My mom and my dad dated and fell in love at one of these camps. It was that very same camp that I went to for ten summers, really having some of the most memorable times of my life.”
