Written and directed by Ricky Burchell, *One More Dream* explores the trials, tribulations and eventual triumph of african american teenager named Jeremy as he journeys through high school. As we know high school is as much a time for fear and self-doubt as it is for dreams and through the film we get a rare glimpse into the mind of Jeremy as he tries to understand how the heartbreaks of adolescence interrupt the lives of his friends and how real the fight is in overcoming the doubts and fears in his own life.

In the movie, Jeremy's life is pretty good until a bully embarrasses him in front of the whole school and the love of his life breaks up with him. Devastated, he turns to Jules, his best friend. Jules is a tender heart with a tough exterior, but instead of comfort, Jules has some harsh truths for Jeremy
