

EDRM Announces IPRO as Newest Trusted Partner

MINNEAPOLIS, MN, USA, September 13, 2022 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce IPRO, the market leader in predictive eDiscovery and Information Governance software solutions, has joined EDRM as a Guardian Trusted Partner.

Privacy and security enabled eDiscovery technology and services will play a central role in organizations as they strive to rebound from the current global crisis as more cohesive, more stable and more productive entities. Robust e-discovery technology, supported by expertise and services, helps organizations respond to litigation, compliance and investigation demands. In a new era of remote work at scale, organizations need to securely manage information, protect confidential and privileged access and collaborate effectively to be efficient and productive and adhere to the increasing complex demands of security and data privacy frameworks.

"It's a no-brainer for IPRO to partner with the talented team at EDRM," said Giorgia Favaretto-Illig, Chief Marketing Officer at IPRO. "We're both in the same business of educating legal professionals while disrupting the eDiscovery industry. You'll be seeing a lot more of IPRO and EDRM!"

Among the EDRM opportunities and resources available to partners like Lockhaven Solutions are the ability to connect, network and contribute via EDRM projects and events, share their service and product offerings and enhance brand awareness to a global community. The EDRM community of knowledgeable, multidisciplinary professionals is building resources to enhance e-
