Americans have a crown or a dental bridge to restore and strengthen their smiles. In Southampton, PA, residents can find affordable crowns at DICE Dental.

DICE Dental offers dental implants, dentures, extractions, and crowns in Southampton, PA

[Crowns in Southampton](#) start at \$650. Crowns strengthen a person's tooth that has been damaged by decay. They can also help freshen smiles by changing the tooth's shape, color, and size. Outside of cosmetic benefits, crowns are great for supporting a tooth after a root canal.

“

Whether patients want to replace a missing tooth, get out of pain, or simply freshen up their smile, we will work with them to make their dream a reality.”

Dr. Katie Alger

“Whether patients want to replace a missing tooth, get out of pain, or simply freshen up their smile, we will work with them to make their dream a reality,” says Dr. Katie Alger, owner and operator of DICE Dental.

Crowns are made in-house using a CEREC milling machine, giving the Southampton dentist complete control over their fit, color, and aesthetics.

In addition to single crowns, DICE Dental also offers 3-unit bridges, veneers, and Maryland bridges. During a free consultation, Dr. Alger and her team will help patients decide on an appropriate treatment plan.

[Dental implants in Southampton](#) are also available. Dental implants use a titanium screw to replace a missing tooth root. They start at \$750. Other services available include [dentures](#) and extractions.
