

# Date Syrup Industry Anticipated to Expand at a CAGR of 4.2% during the Forecast Period 2028

*Rise in consumption of date syrup in the commercial sector & preference for date syrup among diabetes patients drive the growth of the global date syrup market*

PORTLAND, OREGON, UNITED STATES, September 14, 2022 /

EINPresswire.com/ -- The global [date syrup](#) market generated \$361.3 million in 2020, and is projected to reach \$514.3 million by 2028, witnessing a CAGR of 4.2% from 2021 to 2028. The report provides a detailed analysis of changing market dynamics, top

segments, value chain, key investment pockets, regional scenario, and competitive landscape.

Rise in consumption of date syrup in the commercial sector and preference for date syrup among diabetes patients drive the growth of the global date syrup market. However, multiple substitute availability and low product knowledge among the customers restrain the market to some extent. On the other hand, production of organic date syrup and modernized packaging & processing present new opportunities in the upcoming years.
