Bradford and Sebec are close-by towns in Central Maine. Located in Penobscot County, Bradford is part of the Bangor, Maine Metropolitan Statistical Area. Home to spruce gum, Bradford is a rural community with a rich history and a close-knit community. Sebec lies just over the border in Piscataquis County and is defined by several small ponds, Sebec Lake, and the Piscataquis River. This part of Maine gets very cold during winter so every home and business needs reliable and economical heating solutions.

D&J Mechanical, LLC offers trusted, [high-quality heat pump installation services](https://www.dandjmechanicalservices.com) for heating and cooling. The company specializes in heat pump services for people across central Maine, including Bradford and Sebec. In addition to installing heat pump properly, the company provides heat pump maintenance and repair services.
