

# Less Than A Week Until Cyber Security & Cloud Conference Europe at RAI, Amsterdam

*Join Cyber Security experts from all over Europe as they congregate at the RAI, Amsterdam*

AMSTERDAM, NETHERLANDS,  
September 15, 2022 /

EINPresswire.com/ -- With access to speeches and panels from the most innovative experts within the field alongside the opportunity to network with senior professionals, the [Cyber Security](#) & Cloud Expo 2022 is not to be missed.

The logo for the Cyber Security & Cloud Expo Europe. It features the words 'CYBER SECURITY & CLOUD EXPO' in large, bold, orange capital letters. Below this, the word 'EUROPE' is written in smaller, black capital letters. A thin orange line with a small upward-pointing arrow is positioned between the main title and the word 'EUROPE'.

The event offers the largest number of events located all in one place, allowing the visitors to explore a variety of fundamental technology solutions. Tickets will also allow access to the co-located conference tracks at IoT Tech Expo, AI & Big Data Expo, Blockchain Expo, Edge Computing Expo and Digital Transformation Week!

The Cyber Security & Cloud Expo agenda is enriched by industry leading speakers from the likes of Malwarebytes Labs, Philips, Booking.com, Rabobank, ING and many more covering the most pertinent topics within the cyber security and cloud spheres. Topics to anticipate include cloud vulnerabilities, cyber resilience, the latest social engineering threats and deep fake crime just to name a few.

Lia Richards, the Head of Conference for the IoT Tech Expo world series says

"We're excited to return to Amsterdam with an exciting lineup of speakers and industry specialists. We are expecting 5000 attendees, with over 150 speakers spread across 6 co-located events – for everyone involved in digital technologies - this expo is a must-attend."

2022 Speakers include:

- Rene Pluis, Global Cyber Security Remediation Manager, Philips
- Kenny Williams, Solution Engineer, Malwarebytes
- Andrii Slobodanyk, Global Partnership Director, ImmuniWeb

□ Raviv Raz, Cyber & AI Innovation Tech Lead, ING

□ Robin Verstraelen, Enterprise Solutions Engineer, wiz
