

Dynamicweb announced 2022 Most Valuable Professionals

LOS ANGELES, CA, UNITED STATES, September 15, 2022 /EINPresswire.com/ -- Dynamicweb, a leading Commerce Suite, including a PIM system provider in the mid-size and enterprise industry, announced the 2022 Most Valuable Professionals during the recent Dynamicweb Summit community event.

In its 6th year, 28 MVPs are being named for showing continuous engagement and support to the Dynamicweb community.

The Dynamicweb Most Valuable Professional award is given by Dynamicweb to individuals who contributed their knowledge and expertise to the community of Dynamicweb. They are recognized by their level of engagement, creativity, and interactions as active participants within the community.

Members of this Dynamicweb elite program have proven their ability to make a difference and to 'be the good you want to see' in the community, and we are happy to recognize them and support them in their efforts.

"MVPs are part of a small and elite group that is essential to the Dynamicweb global community. They represent our ecosystem of partners, consultants, and developers." Said Christian Beer, CEO and co-founder. "Every day our MVPs work closely with our customers, pushing the boundaries of what is possible with the platform."

"It's been wonderful to work with our MVP community over the years. The feedback and realworld insights they provide are invaluable as we build a solution that is unmatched in many ways." Shares Nicolai H. Pedersen, CPO and co-founder. "I have been able to trust they will give their unsalted opinions and help us move the product forward."

It is our pleasure to share the 28 MVPs of 2022:

Dynamicweb MVP – Professional Hans Ravnsfjall Jon Thorne Suzi Louring Eva Sommer Barry Geukdjian Jan Sangill Jimmy Hartington

Dynamicweb MVP – Master Anders Ebdrup Unnsteinn Garðarsson Peter Leleulya Andrejs Zavorotnijs Arnór Halldórsson Imar Spaanjaars Allan Iversen Mikkel Hammer
