The Original Pickle Shot® Vodka started as a great idea between friends Justin Acita and Brittany Acita, owners of Pickles Pub in Ocean City, MD, and John King. Through trial and error at Pickles Pub, the trio sought to give their customers the best possible pickle shot experience, seeking out the perfect brine and ultimately adding a handcrafted, small batch vodka to create The Original Pickle Shot®. Since its inception in 2018, over 150,000 Original Pickle Shots are served annually at Pickles Pub.

“

We're stoked to join the The Big Dill in the world's largest pickle party. This year will be bigger than ever, which means more people will be introduced to The Original Pickle Shot®”

*John King, President, The Original Pickle Shot®*

Taking shape in a rapidly growing \$12 billion dollar industry, The Original Pickle Shot® quickly became a cult favorite with distribution rapidly increasing from 50 locations in 2020, to over 5,000 locations in 2022. The shot is served on its own, ice cold. However, founders also recommend it as the main ingredient in a martini, or even better, a Bloody Mary, several [drink recipes](#) can be found

on their website.

The Big Dill World's Largest Pickle Party® is the #1 pickle party in the world featuring 15 handpicked artisan pickle companies, carnival games, foodie heaven, Live Music, World Pickle Eating Championship, Brine Chug Challenge, and Liquor Experiences. The festival will be hosted at Power Plant Live! in Baltimore, MD, on September 24th and 25th. Tickets can be purchased at [www.bigdill.com](http://www.bigdill.com). In addition to being a sponsor in the event, The Original Pickle Shot® will be serving up shots and pickle lemonade.
