

New Alternate History Epic Will Force Readers to Consider New Perspectives

THE NEW EMPIRE by Alison McBain

UNITED STATES, September 20, 2022 /EINPresswire.com/ -- "The Man in the High Castle" meets "Journey to the West" in a newly released sprawling, epic alternate history tale of love, loss and identity. Told from the perspective of a Chinese slave in a Native American world, [THE NEW EMPIRE](#) by award-winning author [Alison McBain](#) paints a vibrant picture that will resonate strongly with readers in these conflicted times.

Fire. Blood. His brother's hand grinding his face into the dirt.

When a bloody coup throws Beijing into chaos, these are the final fleeting memories of Jiangxi, the emperor's youngest son, as he is stuffed into the bowels of a cargo ship and sent to an 18th century America very much different from the one we've read about in history books.

When Jiangxi arrives in the distant city of Wacharon, a trading hub for a powerful tribal confederacy, he is sold upon his arrival. As he learns more about this new land and the influential man who holds his life in his hands, he's caught between the two worlds of his past and present. Jiangxi soon finds himself forced to choose between following the law of the land or striking out on his own to find a new and bold path to freedom.

“

The alternate world McBain crafts in *THE NEW EMPIRE* is vivid and immersive, with events that very well could have taken place under different circumstances.”

BookTrib

Little does he know, the choices he makes will change not only the course of his own life but will decide the fate of the two most powerful nations in the world.

The alternate world McBain crafts in *THE NEW EMPIRE* is vivid and immersive, with events that very well could have taken place under different circumstances. Readers will be

morally challenged and forced to see through new perspectives by multifaceted characters woven through poignant and descriptive prose.

Perfect for fans of speculative fiction and history, and for anyone who enjoys being exposed to new perspectives, THE NEW EMPIRE will have readers thinking long after the last page.

THE NEW EMPIRE is available on [Amazon](#) and other popular retail outlets where books are sold.
