Global Natural and Organic Flavors Market: Segmental Insights

The global natural and organic flavors market is segmented by flavor, product, source, and application type. North America, Latin America, Europe, Asia Pacific (APAC), and Middle East and Africa (MEA) are the key regions covered in this report.

On the basis of source, fruits and fruits juices remain a key source for natural and organic flavors. The segment is expected to dominate the market, accounting for a share of 41.9% in 2018. The vegetables & vegetable sources segment is estimated to be the second-largest in terms of revenues.

On the basis of flavor type, the natural flavor segment is estimated to hold the highest value

share in the global natural and organic flavors market, accounting for 90.9% revenue share in 2018. The segment is expected to maintain its dominance throughout the forecast period.

In terms of volume consumption, Asia Pacific is considered to be the fastest growing market, and is expected to witness a growth rate of 9.2% in 2018. This is mainly attributed to factors such as increasing applications in beverages, confectionaries, and savory end use products during the forecast years 2018-2026.
