

Sarcoma Foundation of America Honors Adaptimmune Therapeutics with 2022 Vision of Hope Award

DAMASCUS, MARYLAND, UNITED STATES, September 15, 2022

/EINPresswire.com/ -- The [Sarcoma Foundation of America](#) (SFA), an organization dedicated to increasing research and awareness for sarcoma, today announced that [Adaptimmune Therapeutics](#) (Adaptimmune) has been selected to receive the 2022 Vision of Hope Award during

“

Adaptimmune's contribution to improving sarcoma patient outcomes is extraordinary and well-deserved for recognition. The company's work is taking us many steps closer to finding a cure for sarcoma.”

SFA CEO Brandi Felser

SFA's [Stand Up to Sarcoma Gala](#) on September 28, 2022, in New York, NY. Stand Up to Sarcoma is SFA's flagship fundraising event, featuring extraordinary honorees, tributes to sarcoma cancer survivors and advocates, and recognizing important advances in science and research.

The SFA Vision of Hope Award is presented to a person or organization whose public or private actions have resulted in the advancement of care, treatment or awareness for sarcoma patients. SFA is recognizing Adaptimmune for its work in developing an innovative cell-based immunotherapy that promises to change the lives and provide hope for people living with synovial sarcoma.

Based in Oxford, England and Philadelphia, Penn., Adaptimmune was established in 2008 and is driven by a mission to transform the lives of people with cancer by designing and delivering cell therapies. The Company's unique SPEAR (Specific Peptide Enhanced Affinity Receptor) T cell platform enables the engineering of T-cell receptors (TCRs) to target and destroy cancer, including solid tumors. Adaptimmune is preparing for its first biologics license application (BLA) submission of this engineered TCR T-cell therapy.

“Adaptimmune's contribution to improving sarcoma patient outcomes is extraordinary and is well-deserved for recognition,” said SFA CEO Brandi Felser. “The company's work is taking us many steps closer to finding a cure for sarcoma.”

“We were humbled and honored to be the 2022 recipient of the SFA Vision of Hope award and are grateful for the opportunity to partner with SFA in their unwavering commitment to people

living with and affected by sarcoma,” said Adrian Rawcliffe, Chief Executive Officer, Adaptimmune. “This recognition provides further motivation for us as we strive to fulfill our mission of designing and delivering cell therapies that transform the lives of people with cancer.”

A promotional poster for the Stand Up to Sarcoma Gala. The background is a deep blue with a starry, nebula-like pattern. At the top, the title "Stand Up to Sarcoma Gala" is written in a white, elegant serif font. Below the title, on the left, is the Adaptimmune logo, which consists of a stylized red and blue circular emblem followed by the word "Adaptimmune" in a bold, sans-serif font, with "TRANSFORMING T CELL THERAPY" in smaller text underneath. To the right of the logo, the word "Honoring" is written in a cursive script, followed by "VISION OF HOPE AWARD RECIPIENT" in a bold, sans-serif font, and then "Adaptimmune" in a large, bold, sans-serif font. In the center, the event details are listed: "Wednesday, September 28, 2022", "Edison Ballroom • New York City", and the website "www.curesarcoma.org/nyccelebration". At the bottom, there are two circular logos: on the left, a blue circle with "20TH ANNIVERSARY" and a star; on the right, the Sarcoma Foundation of America (SFA) logo, which includes the text "Sarcoma SFA Foundation of America" and the tagline "Finding the cure for sarcoma".
