“

Join your peers for training workshops that are engaging and productive! ISSA-LA sessions always deliver a unique, memorable, interactive experience. Attend Women of Influence in LA with Stacy Paetz.”

Richard Greenberg, ISSA-LA President; CEO at Security Advisors

- Bryan Hurd

AON's Chief at the Office for Cyber Solutions in Seattle (a/k/a Stroz Friedberg) directs engagements around the world involving cybercrime and data breach response, information security, digital forensics, penetration testing, intellectual property protection, and advising senior leadership and boards of commercial companies. Hurd has more than 25 years of experience in leading national and global investigations and operations for counterterrorism, counter espionage, and cyber breach response. Prior to joining Stroz Friedberg, he served as Microsoft's Director of Intelligence of Cybercrime Center – Digital Crimes Unit; as COO at the Office of the Director of National Intelligence (ODNI); and founder of US Navy NCIS Cyber Counterintelligence Program.

- Adriana Sanford

Award-winning global threats and privacy expert, Adriana Sanford ([bio here](#)), is an international corporate lawyer, author, professor, and a Chilean-American international TV commentator, who appears as a CNN Español analyst on privacy and cyber-related breaking news to 93+ million viewers. The ND law and Georgetown law-educated California lawyer is the recipient of the Cybersecurity and Privacy Woman Law Professional - 2019 CSWY Award.

- Cleve Adams

Named Top 50 Non-Technical Founders In Tech Industry History, Cleve Adams is a 5-time award winning VC/PE backed software CEO managing companies from pre-revenue to over \$2 Billion. Adams led the team that started security titan Websense and grew them from pre-revenue to a \$1 Billion IPO in less than 3 years, subsequently sold to Raytheon for \$2 billion.

- Deviant Ollam

Physical penetration specialist with The CORE Group, Deviant Ollam is the Director of Education for Red Team Alliance and a member of the Board of Directors of the US division of TOOOL, The Open Organisation of Lockpickers. His books Practical Lock Picking and Keys to the Kingdom are among Syngress Publishing's best-selling pen testing titles.

PREMIER ISSA Security Event in SoCal

Proud Sponsors and Supporters

[40+ High-Caliber Speakers](#) from a WIDE spectrum of the of the intelligence, regulatory, academic,

law enforcement, legal, and cyber sectors!

* Discussions on remote and hybrid workforces bring new risks and internal threats of sabotage and economic espionage - Louis Bladel, Carol Alexis Chen, and Ross Delston. Louis Bladel is EY's Managing Director for Assurance Services – Forensic & Integrity. He is a former Chief for the FBI's Counterespionage Section and former Division Special Agent in Charge for the FBI's Counterintelligence Division in New York. Carol Alexis Chen is a Partner and Trial Lawyer at Winston & Strawn LLP. She is an award-winning former career federal prosecutor who served as the first female chief in office-history of the International Narcotics, Money Laundering, and Racketeering Section (formerly known as the Organized Crime Drug Enforcement Task Force Section) at the US Attorney's Office in Los Angeles. Ross Delston is a former FDIC Assistant General Counsel.

* UCLA's Howard Reiss Chair and Associate Professor, Dr. Prineha Narang, will discuss Taking Quantum Technologies Out of the Lab; Discoveries at the Quantum Limit. Dr. Narang is also the Founder and CTO of Aliro Quantum and a former Assistant Professor of Computational Materials Science at Harvard University.
