LOS ANGELES, CA, USA, September 27, 2022

/EINPresswire.com/ -- "Matchmaker, matchmaker, make me a match / find me a find, catch me a catch."

Made famous by the epic musical "Fiddler on the Roof," that lyric also describes what renowned celebrity relationship expert Sherry Murphy does for clients at her high-end dating agency, [Elite Connections International](#).

"We are the most exclusive and preferred professional matchmaking service in the business," says Murphy, who founded the A+ rated business in Beverly Hills twenty-eight years ago and works alongside her daughter Tammi, who is also VP. Says Murphy, "We are dedicated to the business and our clients. We work for all ages and have helped people in their 20's find love, as well as people in their 60's and 70's. I feel our success has come from the amount of effort we put out to help each and every client.

Everyone comes in with a list of requests. What we have to do is find out who the client will truly be compatible with."

Elite has grown from a single location in Beverly Hills to nineteen high-profile cities, including Miami, Las Vegas, Chicago, and New York, plus international matchmakers and clients and openings planned in Dallas and Washington, D.C.

"We've grown our business by establishing a reputation, offering a highly personalized approach," says Murphy, who describes her female clients as "classy individuals looking for meaningful relationships" and the males as "high-class professionals seeking commitment."

[CIO Bulletin](#), the global business, branding and technology media company that named [Elite Connections](#) one of the 50 Most Innovative Companies to Watch 2021, published, "Each matchmaker on the team knows all their clients personally and keeps them in mind with each new single they meet. Their personalized approach to professional matchmaking sets them apart from other agencies and allows for great success in matching the client. The company offers a team of experts providing many beneficial services to their clients, including an elite matchmaking team, dating coaches, licensed psychologists, personal shopper/wardrobe consultants, and several photographers."
