

# Megola Signs DEFINITIVE Agreement with Medesol Global Inc

*Acquires: "ProtekSol" SiO2 Technologies, \$40,600 Material Inventory. Immediate Revenue Stream with Liquid Glass Product*

BONITA SPRINGS, FL, UNITED STATES,  
September 20, 2022 /

[EINPresswire.com/](https://EINPresswire.com/) -- Megola, Inc.

("MGON", "Company") is a Consortium

Group of Health Technologies and Eco-Friendly Product Lines has signed definitive agreement regarding the Purchase, License of Intellectual Property, Product Lines, Manufacturing and Other Specified Assets of Medesol Global Inc.

“

We are executing our business plan in a clear and precise manner as we add another big milestone for the company”

*CEO, Robert Gardiner*

“We are executing our business plan in a clear and precise manner as we add another big milestone for the company. Phase 1 of acquiring product lines from Medesol Global Inc is complete. We still have products to acquire from Medesol Global in near future. The SiO<sub>2</sub> blends also bring immediate sale revenues with liquid glass blend being sold to a National distribution client. We have built a solid management team, expanded our product lines and now expect gigantic upside towards vertical sales in these

massive global markets”, states CEO Robert Gardiner.

List of MedeSol Global Inc. Product Lines :

“ProtekSol” SiO<sub>2</sub> Technologies (Trade Secrets & Patents Pending): Referred to as Liquid Glass, is based on Silicon Dioxide (SiO<sub>2</sub>) (quartz glass) in solution (water or alcohol depending on application). “In Solution” means higher performance and improved environmental safety compared competing Liquid Glass products that use controversial “Nano Particles”. Sand at the beach and the stone around us are made of SiO<sub>2</sub>. The coatings are inert, meaning it comes from the earth and returns with no ill effects making the technology safe to the environment.
