beginning of our launch, and we strive to have our healthy products accessible to families across the US," says Renee Barch-Niles, EVP at WR Group. "Our mission is to continue to evolve the BareOrganics product collection, enabling Walmart customers to have more options for USDA certified organic, affordable, highly nutritious, health-conscious superfoods."

The new BareOrganics products that can be found on Walmart shelves include Irish Sea Moss Powder, Goji Berries, Astragalus Root Powder, Coconut Milk Powder, Banana Powder, Pumpkin Powder and Mushroom Immune Blend Powder. From healthy adaptogens and baking substitutions to protein-packed, gluten free powders for smoothies, there are a multitude of ways to easily incorporate BareOrganics superfoods into your daily nutrition intake. Predicted to be a Holiday Favorite, plan to incorporate the Pumpkin Protein Powder into your coffee, cakes, cookies, breads or even just add to water for a tasty boost of protein that is easy to digest for all members of the family.

"As the world's largest retailer, Walmart continues to provide products that resonate with the health-conscious consumer that demands high quality products at an affordable price," says Renee Barch-Niles. "Our functional baking powders, delicious teas and water enhancers have been top sellers at Walmart and our goal is to make BareOrganics a household staple in homes across the US."

Select BareOrganics items on shelf range from \$6.99 - \$24.99. For more information, please visit BareOrganics.com
