Saahil I. Multani, owner of Paramount Looms said, "Gujarat's textile market has been growing rapidly for the last two decades. Though Covid and sales severely hit us cooled down, the surge during the post-Covid era is something never seen before. Gujarat alone has contributed 12% of Indian garment production and 38% of manmade fiber production. Today, Surat contributes 50% to the production of art silk fabric in the country.
