Company proudly supports the work of client, Dr. John Wallace

DALLAS, TEXAS, UNITED STATES, September 21, 2022 / EINPresswire.com/ -- Bullseye Media, LLC (Bullseye) announces it has donated to [Smile Bangladesh](#), a New Jersey based non-profit organization that provides cleft palate surgery to children and adults in need in Bangladesh and around the world. Bullseye matched the first 10 \$300 contributions for a total of \$3,000, which will pay for 10 cleft palate surgeries.

According to the Smile Bangladesh website, it is estimated that there are up to 300,000 children and adults in Bangladesh with unrepaired cleft deformities, and less than 30 surgeons in the country with formal training in cleft surgery. Smile Bangladesh is dedicated to providing free care for these individuals by supporting volunteer surgeons, anesthesiologists, and nurses who travel to rural and urban areas of Bangladesh to repair facial clefts.
