New albums available on Spotify, iTunes, and Apple Music

HOUSTON, TX, USA, September 20, 2022 /EINPresswire.com/ -- After amassing millions of views across social media and YouTube, viral children's show Gracie's Corner has released two new albums on [Spotify](#) and [Apple Music](#).

Created during the height of the pandemic, 7-year-old Graceyn Hollingsworth (who goes by Gracie for short) and her siblings struggled to find diverse, age-appropriate content to watch on television or online. So their parents, Javoris and Arlene Gordon-Hollingsworth, Ph.D., both educators, decided to take matters into their own hands and start creating free content to empower and educate children from diverse backgrounds.
