

papmall® debuts 571 digital service categories to back online businesses in all shapes and sizes up

papmall® is changing how society interacts with one another, it will expand the categories in its distinctive services catalog to 571 fields.

SINGAPORE, September 21, 2022
/EINPresswire.com/ -- papmall® debuts 571 digital service categories to back online businesses in all shapes and sizes up

papmall® is changing how society interacts with one another, it will expand the categories in its [distinctive services catalog to 571 fields](#). Following the successful launch of the platform recently and the importance of digital marketing for the success of a business, papmall® tends to introduce a wide range of categories. Expanding the catalog of products and services is a new milestone of papmall®, symbolizing the achievement of its goal of digitalization and globalization.

“

There's a way if you have the will. At first, papmall® was created to aid freelancers and business owners find a way to complete their initiatives, help with scaling, and connect enterprises globally.”

CEO of papmall® - Jimmy Lee

papmall® summarizes new categories as well as an industry store devoted to business owners and all the services they require to scale up their businesses. With the idea that providing a platform for people to earn money and connect as well as the importance of digital marketing , papmall® announces there are now 9 main categories on its website officially such as:

- Graphics & Design
- Digital Marketing
- Writing & Translation
- Video & Animation

- Music & Audio
- Programming & Tech
- Trending
- Business
- Lifestyle

papmall® has more than 500 categories available, providing enough tools and information to support digital marketing for online businesses, and the operation of sellers' stores. Besides that, papmall® has been on the way to creating its own community to connect people within the platform much tighter following the ambition of the CEO in the beginning. Knowing and understanding the common concern of most freelancers and small business owners nowadays is that they don't have a place to grow their business, they may take a long time to find a significant destination to connect and commit to a long-term business journey, papmall® tends to take advantage of this opportunity to provide a trustful place for freelancers for digital marketing especially, and businesses in all shapes and sizes. One of its first goals is not letting anyone behind in this journey, whether they are working in a niche industry or not, the platform will meet all of their expectations by expanding the range of categories. papmall® is taken as a worldwide platform when its significant impact spans globally.

[papmall® was developed to maximize opportunities, access, and talent](#) for those who need them. It allows anyone to expand their brand, business, or goals. Due to its recent start, papmall® has put a lot of effort into increasing its selection of digital services. Currently, millions of transactions between buyers and sellers in numerous nations across the world are facilitated by papmall®. Along with expanding the platform's potential for sellers and buyers, the inclusion of additional categories and services attracts new customers.

papmall® is ready to provide strategic leadership as the global partner for enterprises and independent contractors. Due to its involvement in the program, education, and the resources, real-world experience, and assistance required to expand its business in a competitive global
