YORBA LINDA, CALIFORNIA, UNITED STATES, September 21, 2022

/EINPresswire.com/ -- History will define our nation of today. But to better understand how we got here, people should examine and study the past for red flags that were not caught and rejected...at the time.

"FOR ALL EYES ONLY" is a compilation of blogs written by Author Bunny Herschensohn during former President Barack Obama's Presidency. It is

through these blogs there appears to be a remarkable unparalleled similarity between the differential political turbulence we face today and the systemic agenda that was aggressively pursuant during the Obama years.

Hence, readers interested in political strategies will find this book intriguing with every page turned as Herschensohn explains in detail how politics and political ideology works. Author Bunny Herschensohn takes us down memory lane with reflections of her thoughts and observations on past issues. Those troubles of the past have forever normalized radical, life-changing reforms to our system through subtle ruse but underhanded intent.
